June 15, 2018

September 17, 2018

December 17, 2018

March 15, 2019

SALARY

\$7048 - \$8775 per month

EQUAL EMPLOYMENT OPPORTUNITY

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

WHO CAN APPLY

Persons who meet the minimum qualifications as stated on this announcement may take this competitive examination.

MINIMUM QUALIFICATIONS

Possession of a valid license as a clinical laboratory bioanalyst or technologist (general or specialized), or certification as a public health microbiologist issued by the California State Department of Public Health. **AND**

Either

Two years of experience performing the duties of an Examiner II, Laboratory Field Services, in California state service.

OR II

Experience: Broad and extensive professional experience in a large clinical or public health laboratory in administration or supervision.

AND

Education: Possession of a doctoral degree in one of the clinical or public health laboratory sciences.

The required degree must have been obtained from a recognized U.S. university or from a foreign university approved by the Bureau of Private Postsecondary and Vocational Education under the provision of California Education Code Chapter 3, Part 59, Division 10.

GENERAL QUALIFICATIONS

All candidates for, appointees to, and employees in the state civil service shall possess the general qualifications of integrity, honesty, sobriety, dependability, industry, thoroughness, accuracy, good judgment, initiative, resourcefulness, courtesy, ability to work cooperatively with others, willingness and ability to assume the responsibilities and to conform to the conditions of work characteristic of the employment, and a state of health consistent with the ability to perform the assigned duties of the class.

POSITION DESCRIPTION

TYPICAL TASKS

This is the staff specialist level of the Examiner series. Under general direction, the incumbent develops and administers a complex area of Laboratory Field Services, such as evaluation of licensing personnel, biologics licensing, and evaluation and approval of clinical laboratory training facilities; provides guidance in his/her area of specialization to Examiners I, Laboratory Field Services; and performs other related duties.

CONTACT INFORMATION

All questions regarding this examination (including the minimum qualifications, applying for the examination, being scheduled for the examination, reasonable accommodations, the examination components, scoring, etc.) may be directed to the contact information below:

PHONE NUMBER: 916-322-4460

EXAMINATION INFORMATION

This examination utilizes an evaluation of education and experience (E&E) weighted 100%, and is based solely upon information provided with the application. Information provided with the application will be assessed compared to a standard developed in relation to the elements of the job and linked to the knowledge and abilities required on the job.

Special care should be taken to submitting a complete description of your education and experience relevant to the typical tasks, scope, and minimum qualifications stated on this announcement. Supplemental information will be accepted but competitors should read the announcement carefully to determine what kind of information will be useful to those individuals completing the evaluation.

The California Department of Public Health reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION

It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement on the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

NOTE: Applications **must** include “to” and “from” dates (month/day/year), time base, job titles and/or civil service class title(s), and range (if applicable) for all work experience. College course Information **must** include title, number of semester or quarter units, name of institution, completion dates, and degree. Applications received without this information will be rejected. Applicants **must** submit a copy of either official or unofficial transcripts along with the application when using education to meet the entrance requirements for this examination.

SCOPE OF EXAMINATION: Rankings will be determined based on the depth and breadth of professional education and experience beyond what is minimally required. Emphasis will be placed on measuring:

Knowledge of:

1. Technical areas of clinical or public health laboratory sciences such as clinical chemistry, toxicology, bacteriology, immunology, mycology, hematology, parasitology, cytology, and virology.
2. Principles, techniques, equipment, and terminology used in the laboratory investigation of diseases.
3. Causes and methods of transmission and control of communicable disease.
4. Current developments in clinical and public health laboratory sciences.
5. State and Federal laws and regulations related to clinical and public health laboratories, tissue banks, biologics and proficiency testing services.
6. Principles, practices and techniques of Public Health administration and personnel management, and supervision of the work of others.
7. Manager’s role in the Equal Employment Opportunity and the processes available to meet Equal Employment Opportunity objectives.
8. Legislative process, and the clinical laboratory programs and policies of the State.
9. Budgeting and other administrative functions.
10. Specific application of State and Federal laws and regulations relating to clinical and public health laboratories.
11. Principles and procedures involved in the investigation of violations and current developments in legislative action affecting clinical and public health laboratories and personnel.
12. General principles of effective supervision.
13. Principles and practices of organization and management as applied to a laboratory program or activity.

Skill to:

1. Collect, organize, and analyze internal data.
2. Organize specialized activities or programs.
3. Collect, organize, and analyze data for hearings.

Ability to:

1. Collect, organize, and analyze internal data.
2. Prepare complex reports, guidelines, and proposed regulations.
3. Use the available scientific resource material.

4. Analyze clinical laboratory, tissue, and blood bank procedures.
5. Conduct surveys of clinical and public health laboratories.
6. Conduct surveys of tissue banks, blood banks and other specialized facilities with accuracy, thoroughness and tact.
7. Interpret and apply laws and regulations to specific cases.
8. Train other staff.
9. Prepare reports.
10. Consult with laboratory personnel and administration.
11. Supervise and direct the work of others.
12. Plan, organize, and coordinate varied complex programs.
13. Prepare budgetary material.
14. Confer and work with legislative representatives, advisory committees, and administrative officials of Federal, State and local agencies.
15. Speak and write effectively.
16. Establish and maintain cooperative relations with staff members and with other agencies and persons.
17. Analyze and evaluate data and reach sound conclusions and take appropriate action.
18. Review, check, and interpret scientific data and reports.
19. Apply rules, regulations, policies, and requirements of State and Federal clinical laboratory programs.
20. Provide leadership in accomplishing basic functions and objectives in assigned programs.
21. Inspire confidence and effective working relationships with employees, managers, and leaders in government or industry.
22. Initiate and follow through on personnel improvements and disciplinary actions.
23. Analyze and evaluate data and reach sound conclusions and take appropriate actions.
24. Establish and maintain cooperative relations and effective communications with local governments and all persons contacted.
25. Plan, organize, direct, and track the work of others.
26. Perceive the alternatives available in the solution of management problems and select realistic courses of action.
27. Effectively contribute to the Equal Employment Opportunity Program.

ELIGIBLE LIST INFORMATION

Possession of the entrance requirement does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. Names of successful competitors are merged into the open eligible list established for use by the Department of Public Health in order of final scores regardless of testing date. Eligibility expires **24** months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

VETERAN'S PREFERENCE

Pursuant to Government Code Section 18973.1, Veteran's Preference will be awarded in this examination as follows: 1) Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for veterans' preference; 2) An entrance examination is defined, under the law, as any open competitive examination; 3) Veterans' Preference is not granted once a person achieves permanent civil service status.

HOW TO APPLY FOR VETERANS' PREFERENCE

The [California State Jobs' website](http://www.jobs.ca.gov) (www.jobs.ca.gov) has information on how to apply for Veterans' Preference on their website and on the [Application for Veterans' Preference form \(CalHR 1093\)](https://jobs.ca.gov/PDF/SPB1093.pdf) (https://jobs.ca.gov/PDF/SPB1093.pdf). Additional information is also available at the [Department of Veterans Affairs website](http://www.cdva.ca.gov) (http://www.cdva.ca.gov).
